

### **A review of the VS Bookbinding Series from our client in Dubai**

The MD of Riot Photobooks in Dubai shares his review of the VS Series and praised Layflat's prompt customer support. He says that the VS Series meets their needs due to its reliability, user-friendliness, and ability to produce high quality photobooks.

“We distinguish our premium wedding albums from the rest through quality, attention to detail and on-time, delivery,” wrote *Rodney Saldanha*, Managing Director of Riot Photobooks in Dubai, UAE. “To achieve this, we carefully select reliable machines that consistently produce superior books, and are both easy to operate and maintain. Our VS-Series layflat bookbinding system meets all these needs and more. Any needed support, although rarely required, is always very quickly provided.”
